

Application for the Use of the University Logos according to the Corporate Design/Logo System in a Written Paper or Thesis

Degree Program: _____

Degree: _____

Matriculation No.

First Name, Last Name

Phone number (for possible inquiries)

Type of Written Paper: _____
(e.g. seminar paper, project paper, final thesis)

Name of the institution whose logo is to be used in the written paper:

I understand that:

- I am only allowed to use the logo if its use in written papers is generally approved by the relevant institution
- I have to request the logo on my own and in due time from the relevant institution
- the logo is not to be modified, cut, or used without immediate contextual elements (i.e. the logo system)
- the RWTH Aachen University logo is a registered and protected word mark. Use of it that violate the specifications on its use may have legal consequences.
- the combined logo is only to be used for the above named written worked
- the combined logo can only be used in combination with the statement, "The present work was submitted to [Name of institution]"
- the combined logo must be placed in the upper right-hand corner of the cover sheet of the written paper and that it is not permitted to modify it in any way.

For this and further information (including examples of use), please visit the [ZPA website](#).
