

RWTH Aachen - Tsinghua Senior Research Fellowships

Who can apply?

PostDocs and above from Tsinghua University and RWTH Aachen University

Scholarship amount and funding period

- Up to 4 fellowships per year
- Min. 14 days up to 1 month
- Up to 2.500€ per stay/month

Purpose of the Fellowship

- Conduct joint research projects
- Present your research at RWTH Aachen and prepare a joint publication and/or a third party funding application
- Teach a class or hold seminars at RWTH Aachen
- Stimulate further cooperation between RWTH and Tsinghua

Selection Criteria

- Quality of application documents
- Strategic value for the partnership between RWTH and Tsinghua regarding future joint projects (e.g. joint supervision of thesis, joint research & publications, applications for third party funding, teaching, subsequent visits and exchange of students)

Application Deadlines

March 31, 2018 and September 30, 2018/19

Application Documents in English

- CV with contact information
- List of recent publications
- Statement of purpose with reference to the research project, duration of the stay and expected outcome (see “purpose of the fellowship” and “selection criteria”)
- Time schedule with exact days and itinerary
- Invitation letter from host university: reference to the research project and duration of the stay, expected outcome and future perspectives of cooperation

Application Procedure

Send complete application documents to Tsinghua International Office or RWTH International Office (Rene.Seyfarth@zhv.rwth-aachen.de) before the deadline – you will be nominated by your International Office.

Please note

The scholarship can't be combined with any other German publicly or privately funded scholarships.

After your application has been submitted

Upon notification of acceptance you will receive a welcome email with further information to plan your stay at RWTH Aachen University or Tsinghua University.

We will assist you with any questions so that you can enjoy your time in Aachen or Beijing.
