

APPLICATION GUIDANCE

Receive the application reminder after nomination.

Click the link and get to our application system. Student needs to set a password.

After logging into the system, the student should find an existed unsubmitted form. Click “view” and complete the application form. **Please fulfill all your information. Valid passport number is required for getting invitation letter. Student’s name should match the name on the passport. The home university and the student will be responsible for the refusal of the visa due to name discrepancy.**

Student should follow all the steps and upload the required documents. Do not forget to save before log out.

In the case of major changing, university-level exchange applicants could choose a second preference major.
