A top environmental commodities trading firm is looking for a

**JUNIOR CORPORATE SALES TRADER – INTERN**

Internship based in Brussels, Belgium

**JOIN THE FASTEST GROWING FINANCIAL MARKET**

**AND HELP CORPORA TIONS TRANSITION TO A LOW CARBON ECONOMY!**

Our mission at Vertis is to inspire and empower businesses to make the transition to a low carbon economy. We have been a pioneer in the carbon markets since 2001 and our drive is relentless to move the world towards a greener future.

We provide our clients with direct access to markets for buying & selling renewable energy certificates and the financialization of these assets provide a strong incentive for organizations towards carbon neutrality. We are looking for an Intern to become a member of a team of specialists and professionals in one of fastest growing commodity markets in the world.

**WHAT WE OFFER**

- Join our Carbon Trading Desk as an intern and learn from our Corporate Sales Traders servicing the German market
- Gain exposure and build your expertise on the CO2 market through in-depth trainings in emissions trading, the energy sector and sales
- Develop your communication, networking and sales skills in your native language
- Build your client portfolio in a high-growth and exciting niche market
- Long-term career prospect with a pioneer of carbon trading – you might receive the hiring offer after successfully completing your internship
- Stimulating, high-calibre, international work environment

**REQUIREMENTS**

- Native German with fluent English
- 0-2 years of sales and account management experience
- Passion for environmental sustainability
- Interest in markets and in macro and micro economic environments
- Proactive confident and a good communicator when dealing with colleagues, clients, and partners
- Ability to remain calm and composed in a high-pressure environment while multi-tasking
- Good problem-solving skills
- Good with numbers and Excel
- Call centre or phone sales experience is an advantage
- Relevant degree in Economics, Finance or Business Administration
WHAT SKILLS YOU WILL GAIN AFTER THE INTERNSHIP

- You will build your expertise in carbon certificate trading and other renewable energy certificate product lines
- You will understand the CO2 market, including types of buyers, sellers, and competitors
- You will learn how to create portfolio of customers
- You will learn how to prioritise your leads and turn them into clients
- You will learn how to successfully close the transactions after initiating the contacts
- You will learn how to effectively offer services
- You will learn how to prepare for on-site meetings and discussions with potential customers about their needs
