Please send a cover letter stating research aims and a CV to: Dekanin der Fakultät für Architektur der RWTH Aachen University, Frau Univ.-Prof. Dipl.-Ing. Sabine Brück, Schinkelstraße 1, 52056 Aachen.

You can also send your application via email to dekanin@dekanat.arch.rwth-aachen.de. Please note, however, that communication via unencrypted e-mail poses a threat to confidentiality as it is potentially vulnerable to unauthorized access by third parties. For information on the collection of personal data pursuant to Articles 13 and 14 of the General Data Protection Regulation (GDPR), please visit https://www.rwth-aachen.de/gdpr-information.

The deadline for applications is 15/05/2020.

This position is also available as part-time employment per request.

We welcome applications from all suitably qualified candidates regardless of gender. RWTH Aachen University is certified as a family-friendly university and offers a dual career program for partner hiring. We particularly welcome and encourage applications from women, disabled people and ethnic minority groups, recognizing they are underrepresented across RWTH Aachen University. The principles of fair and open competition apply and appointments will be made on merit.

RWTH Aachen University is one of Germany’s pre-eminent Universities of Excellence, which entails the highest quality in teaching and world-class research. RWTH addresses bold, scientific questions; it also assumes a profound responsibility toward society and transfers its knowledge into meaningful applications. RWTH strives for the convergence of knowledge, methods, and findings from its research fields and integrates in-depth disciplinary knowledge into interdisciplinary research consortia represented as profile areas. The university’s dynamic, creative, and international environment encompasses efficient research networks, institutionalized cooperations, and, most of all, the innovative RWTH Campus-Project which harbors one of the most extensive technology-oriented research landscapes in Europe.

Full Professor (W3) in Housing and Design
Faculty of Architecture

We are seeking qualified applicants for teaching and research in the area of Housing and Design. The starting date is 01/09/2021. Research and teaching will focus on the complexities surrounding the topic, such as the architectural, constructional, building law, sustainable and social aspects of housing construction. The guiding themes underlie in the questions that are important for the future of housing construction. These include, for example, new forms of housing, renewed of sustainability, flexibility and variability, mixed use buildings. Participation in university-wide cooperations and profile areas (Cluster Bauen, Forschungsnetzwerk Making of Housing, Strukturwandel Rheinisches Revier...) is assumed, as well as cooperation with actors of the national housing sector within the framework of third-party funded research. Cooperation with other faculties within the interdisciplinary RWTH is expected.

A doctoral degree is required; additionally, Habilitation (post-doctoral lecturing qualification), an exemplary record of research achievement as an assistant/an associate/a junior professor or university researcher and/or an outstanding career outside academia are highly desirable. Ability in and commitment to teaching are essential. The application should include supporting documents regarding success in teaching. German is not necessary to begin but will be expected as a teaching language within the first 5 years.

Proof of outstanding architectural and artistic achievements may be required in accordance with § 36 (2) of the NRW University Act of 31/10/2019.
