Internship Controlling and Training (m/f/d)

Digitalization is a key differentiator to position BASF as leading chemical company for our customers. We as Global Digital Services enable BASF’s digitalization. In agile teams, we develop innovative digital solutions for BASF and its customers, create new exciting customer experiences and business growth, and drive efficiencies in processes. We provide IT that works and offer know-how and access to latest technologies in the areas of cloud computing, blockchain or big data.

LOCATION Ludwigshafen, DE
COMPANY BASF Digital Solutions GmbH
WORKING AREA Controlling
WORKING HOURS Full-time
REFERENCE CODE EN59319286_ONLE_1

QUALIFICATIONS
- First professional experience in the field of controlling through internships, ideally abroad
- Solid knowledge in MS Office
- Excellent analytical skills and structured working methods
- Fluent communication skills in English and German
- Affinity/experience in media and communications

RESPONSIBILITIES
The Controlling department would be pleased to welcome you for an internship of 3-6 months.
- You will support the departments specialized in the systemic analysis of financial and operational data.
- In the process, you will learn about recurring evaluations as well as the creation of ad hoc reports.
- Furthermore, you have the opportunity to be involved in various challenging projects.
- You will support us in our Digital Controlling Academy with the preparation of training sessions and continuously develop improvements.
- Last but not least, you prepare and publish video recordings.
- If there is mutual interest, writing a thesis is possible after the internship.

BENEFITS
- From day one you will be part of the BASF family.
- You will get involved in challenging fields of activity and have the opportunity to work on exciting projects in an interdisciplinary environment.
- Depending on the location of the respective group company you will get to know BASF and participate in various workshops and guided tours.
- This way, you will make numerous interesting experiences and get a deep insight into the world’s leading chemical company. Information regarding internships: on.basf.com/internship
