

ENHANCE: Study abroad

RWTH Go Abroad Week – ENHANCE: Study abroad

Chalmers University of Technology | Norwegian University of Science and Technology | Politecnico di Milano

Universitat Politècnica de València | Warsaw University of Technology

4.11.2021

ENHANCE – European Universities of Technology Alliance

With the support of the
Erasmus+ Programme
of the European Union

- Chalmers University of Technology
- Norwegian University of Science and Technology
- Politecnico di Milano
- RWTH Aachen University
- Technische Universität Berlin
- Universitat Politècnica de València
- Warsaw University of Technology

ENHANCE – European Universities of Technology Alliance

Vision and Mission

We will drive responsible societal transformation by enhancing a strong alliance of European Universities of Technology, empowering people to develop and use science and technology for the benefit of society and turn global challenges into opportunities.

- ENHANCE – the European University of Technology to build the European Education Area
- ENHANCE – creating a University Alliance which empowers people
- ENHANCE – forming a European University of Technology which is an integral part of society

- Other programs and bilateral exchanges: 92

For further information check out the [WUT website](#).

ENHANCE is for everyone!

ENHANCE is probably **THE** European Alliance with the biggest diversity-awareness!

We place great emphasis on supporting **students regardless their background**. Especially students who never took part in any international mobility are more than welcome at ENHANCE!

We also offer the possibility of short-term and blended mobility!

Did you know that there is extra funding for students with handicaps and/or chronic diseases? You can even get an preparatory visit funded!

There is also extra funding for students with children!

Do you have some additional questions or special needs? No problem! We would be happy to answer your questions.

Please find your contact person on the next slide.
