2. Scale of Support

The above-mentioned company (referred to as scholarship provider from here on) is committed to supporting exceptionally high-performing students from RWTH Aachen University within the framework of the RWTH Education Fund

by granting scholarship(s) (donation amount of € 1,800 per scholarship)

for

- one academic year
- two academic years in a row
- three academic years in a row.

The scholarships of the RWTH Education Fund amount to € 3,600 per scholarship holder per year. The aforementioned scholarship provider funds the amount of € 1,800 per scholarship. Every scholarship is matched by the Deutschlandstipendium program, financed by the German Federal Government, with another € 1,800. The funding period corresponds to the academic year, beginning with the winter semester on October 1 of the respective year and expiring at the end of the summer semester on September 30 of the following year. RWTH Aachen University pays the scholarship holders in monthly installments of €300 each.

The scholarship provider affirms to only use the scholarship holder's contact details in connection with the scholarship program, will not pass these on to third parties, will delete these after expiry of the scholarship, and will obey the regulations of the EU, the German Federal Government, and the Länder on data protection.

If the scholarship holder leaves RWTH Aachen University, ends their studies prematurely, or takes leave of absence within the funding period, they cannot be supported financially according to the valid version of the guideline for allocating the Deutschlandstipendium within the RWTH Education Fund. The scholarship provider consequently agrees that their donation should be reassigned to other suitable students at RWTH Aachen University.

In order to support a non-monetary framework program, the scholarship provider is willing to fund an additional amount of €100 or more: per scholarship.

The scholarship provider shall be referred to as follows in RWTH publications:

The scholarship provider wishes for their donation to be treated anonymously and does not want their name to be mentioned in publications of RWTH Aachen University.

3. Payment Method

A one-off payment per scholarship holder at the beginning of the funding period (payment due by September 1).

Please transfer the donation by stating your name (i.e. company name) in the box "Reason for Payment" to the following scholarship bank account:
